

IMAGES

Please read this document carefully so you know exactly what to send when providing new images for your Talk Education page ('s) or if you wish to update your existing images.

1. Please use WeTransfer to send your images if possible.
2. We only require 10-15 images for each school section.
3. The images you send must be high resolution.
4. Please label the files carefully for each school section e.g. Nursery, Prep/Junior, Senior, Sixth Form.

From the 10-15 images that you provide we will populate you page ('s) as follows (examples shown);

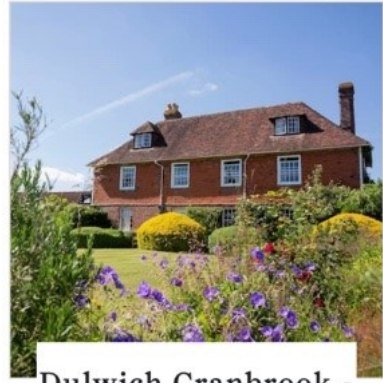

- a. **THUMBNAIL** – an image of your main school building. If you have multiple pages i.e. Nursery, Prep, Senior, then we will need an external image that relates to each school section. Although we can use the same image for each Thumbnail if you prefer.

Dulwich Cranbrook -
Nash House Nursery
Cranbrook

Dulwich Cranbrook -
Prep School
Cranbrook

Dulwich Cranbrook -
Senior School
Cranbrook

- b. **HERO/BANNER (X 4 IMAGES MAX.)** – These will appear on a carousel at the top of your page and in a narrow landscape format, so please make sure that some of the images you send will allow for this size and shape to work.

- c. **GALLERY (X 9 IMAGES MAX.)** – These will appear under your review in a grid but when clicked on will open as larger square images.

Gallery

SEE ALL

When clicked on the images appear individually in a larger size;

[Here](#) is an example of a school's page fully populated with images.

Please can we ask that you do not just send a link to your own image bank but that you carefully choose a small selection of images that represent all aspects of school life, and that you think will work well in the spaces we have illustrated above.

Please look to showcase;

- Classrooms/library
- Art and DT
- Sports and activities
- Music and drama
- Boarding life
- External grounds, main building

Please also try to represent all ages and stages and if your school is mixed please provide a balance of both boys and girls in your images.

For both UK and Global Schools please send your images to susie@talkeducation.com

Thank you.
